

## PC Sales

Our slogan **they just work** is not just marketing rhetoric, all of our systems are built and designed to work for years to come, we are so confident of our products that we also offer an optional extended warranty on all of our new PC's.

All systems come with 12 month parts and labour warranty, delivery and installation, so there is no need to worry about how to plug it all in when the system arrives. Extended warranty is available for \$99 per year to a maximum of three years warranty.

All of our systems are internet ready and come with free modem and 200 hours of free internet access.
